Hi Marie,
Laurie Sale will try to make the meeting with Bonin. She knows him and lives in his district. She owns property on Los Angeles Street, a long time board member and family has owned property for years. She also recently started the Pacific Palisades BID.
Rena

Hello!

Attached is the list of meetings we have set so far with Councilmembers to discuss vending. Please let me know if you can join any of these.

We also have Rodriguez Strategies inviting business owners and community groups from the member's area.

Thank you, Marie
